

A&S Construction Company

Featured from left to right: Jimmie F. Stovall, Jimmie S. Stovall, Frank Stovall, Moses Stovall

A&S Construction Company is located in Crystal Springs, MS and is managed by Mr. Jimmie S. Stovall. The firm offers services such as Hauling & Asphalt Paving, Demolition, Trenching, Concrete-Cement Paving, Curb, Sidewalks and Overlay just to name a few. A&S Construction Company has been in business for about 12 years. The firm's management includes Mr. Jimmie S. Stovall (President), Moses Stovall (Vice President), Frank Stovall (Treasurer), and Jimmie F. Stovall (Supervisor). Among the firm's services offered, A&S Construction Company considers hauling to be the best of their capabilities along with providing exceptional customer service.

Being an experienced firm, A&S Construction Company has provided quality work throughout the state from Natchez, MS to McComb, MS as well as Louisiana. In addition, the firm has worked with prime contractors such as Dickerson & Bowen, Superior Asphalt, Riley Bridge Construction and the Army Corp. of Engineers. Currently, the firm is working on a hauling job with D&B Construction. In addition, upcoming projects for the firm include asphalt projects and dozer work.

A&S Construction Company is unique in the fact that it is a small family owned business that offer dependable, and professional atmosphere to its customers. Although, owning a business has its advantages and road blocks it can provide a sense of gratitude to business owners whether big or small. Mr. Stovall offers a word of advice for DBE's and small businesses in general. "It's important to keep in contact with individuals via phone and face to face interactions because building positive work relationships is the key to being a successful business owner."

For more information about this firm or to contact Jimmie Stovall, please call 601-953-5854 or send your correspondence to 601-953-5854 or aandsconstructionllc@yahoo.com.

Mississippi Success Stories

Donaldson Construction, LLC

Donaldson Construction, LLC is a local (Jackson, MS) DBE firm owned and operated by Mr. Rodrick Donaldson. The firm exemplifies what it means to own and operate a successful construction firm. Donaldson Construction, LLC has built a reputation reflecting its experience within the construction industry, quality service, and competitive pricing. Much of the firm's business comes from repeat customers and word of mouth.

The firm is doing well, with business up by 10 percent for 2015. In addition, Donaldson Construction, LLC looks forward to increasing business by 30 to 40 percent for 2016. Some of the firm's most recent work includes the Circle of Humanity Project (Jackson State University) and the paving of Jackson State University's Administrative Tower parking lot. The firm also is looking to expand some of its services to offer public utilities and pavement maintenance.

Although enhancing business is important to Donaldson Construction, LLC so is positively impacting the community by providing employment opportunities and facilitating a safe and equal work environment. "As a small business owner, I believe in the concept of working with my employees rather than them working for me. I enjoy seeing my employees grow," said Donaldson.

Donaldson Construction, LLC has definitely grown and continues to grow as a successful small business. And for Mr. Donaldson, it has given him freedom as well as flexibility when it comes to his personal life. Last but not least, he says the top three keys to success are building relationships within your industry, self-motivation, and great customer service.

For more on this firm or to contact Mr. Donaldson please call 601-209-7260 or send your correspondence to rod@donaldsonincorporated.com.

HIGHLIGHTED PROJECTS FOR THE MONTH OF JANUARY 2016

LED Jackson - Phase 1 Program Retrofit Lighting In Various Facilities City of Jackson, Mississippi

The City of Jackson is seeking to complete an energy reduction initiative by retrofit of existing lighting systems with LED components.

The City of Jackson is therefore soliciting proposals from qualified vendors to develop a project to identify opportunities to replace existing lighting systems with LED technology, to quantify energy savings to be achieved and cost to complete the project.

No preference will be given to a proposer who is a qualified Energy Services Company (ESCO).

The City of Jackson is committed to efficient utilization of its resources. One component of this commitment is reduction of energy consumption where possible. The City owns and/or operates in excess of 200 facilities and intends to retrofit lighting components with efficient LED (Light Emitting Diode) for energy and operational savings. Phase 1 of this initiative includes 12 facilities totaling 290,472 + SF. (See Attachment A)

One (1) signed original and five (5) bound copies, labeled accordingly, of the proposal accompanied by the EBO Plan must be received at the office of the City Clerk on or before February 16, 2016 at 3:30 p.m., local time.

A **MANDATORY** pre-proposal conference will be held on Wednesday, January 20, 2016 at 10:00 AM CST in the Andrew Jackson Conference Room of the Warren Hood Building, 200 South President Street, Jackson, Mississippi 39201.

For More Information Visit: <http://www.jacksonms.gov/bids.aspx>

HIGHLIGHTED PROJECTS FOR THE MONTH OF JANUARY 2016 CON'T

Parking Meter Program City of Jackson, Mississippi

Sealed proposals will be received by the City of Jackson, Mississippi, until 3:30 P.M. Central Standard Time on February 16, 2016, City Hall, 219 South President 39201, to Furnish and Install New/Retrofit single space and /or multi-space parking pay stations and mobile parking payment system for the City of Jackson, Mississippi.

A pre-proposal conference will be held on February 4, 2016 at 10:00 A.M. in the 5th floor conference room of the Warren Hood Building, 200 South President Street, Jackson, MS. All potential proposers and other interested parties are encouraged to attend.

The City of Jackson hereby solicits Proposals to provide, to furnish and install new/retrofit single space and /or multi-space parking pay stations and mobile parking payment system for the City of Jacksons parking meter section. All companies interested in providing the services described in this Request for Proposals are required to provide five (5) copies of their Proposal (one original and four photocopies) that shall include the following:

A copy of the Proposal Package may be procured from the Infrastructure Management Division in the Warren Hood Building — 5th Floor, Room 531, located at 200 South President St., Jackson, Mississippi 39205.

HIGHLIGHTED PROJECTS FOR THE MONTH OF JANUARY 2016 CON'T**CONCRETE SALVAGE PAD PROJECT**

TUPELO REGIONAL AIRPORT

TUPELO, MISSISSIPPI

Sealed bids for the Concrete Salvage Pad project to be performed at the Tupelo Regional Airport will be received at the Airport by Cliff Nash, Executive Director of the Tupelo Regional Airport, at the Administrative Building until 10:30 a.m. (Central Daylight Time) on January 19, 2016, at which time and place they will be publicly opened and read aloud at the Airport Terminal Conference Room located in the Airport Terminal Building.

The work performed shall be in exact accordance with the Construction Plans, Technical Specifications (on file at the office of the Owner), Proposals and Special Provisions, under the direct supervision and to the entire satisfaction of the Owner and in accordance with the laws of the State of Mississippi.

Contractors must be qualified under Mississippi Law and be registered with the State of Mississippi and as a licensed general contractor capable of performing the required work. No contract shall be issued or awarded to any contractor who does not have current registration with the State of Mississippi at the time of the submission of the bid, or a similar certificate issued by a similar board of another state which recognizes certificates issued by the State of Mississippi. Any bid submitted in violation of this requirement shall be rejected. Bidders shall be required to submit a bid bond (payable to the Owner) in an amount equal to five percent (5%) of the full and total bid price.

A pre-bid conference is planned for this project on January 7, 2016 at 10:30 a.m. in the Airport Terminal Conference Room. It is strongly recommended that prospective bidders attend the pre-bid conference. Any questions that bidders might have should be directed to the airport's engineering consultant, Neel-Schaffer, Inc., Birmingham, Alabama, to the attention of Joshua Stump, project engineer. All plan holders will be furnished a copy of the minutes of the pre-bid conference.

The Contract Documents (Specifications, Proposal Forms, etc.) may be examined at the following locations:

Airport Authority Offices,
Tupelo Regional Airport,

2704 West Jackson Street, Tupelo, Mississippi 38801; (662) 841-6570;
(662) 841-6571 (fax)

HIGHLIGHTED PROJECTS FOR THE MONTH OF JANUARY 2016 CON'T**LIBERTY PARK EXPANSION
City of Madison - PROJECT #12444**

The City of Madison is requesting sealed bids for construction of the Liberty Park Expansion project. All bids shall be marked "LIBERTY PARK EXPANSION BID-OPENING, THURSDAY, JANUARY 21, 2016" on the outside of the envelope. All bids shall be submitted to the City of Madison until 9:30 AM local time, Thursday, January 21, 2016 at Madison City Hall, 1004 Madison Avenue, Madison, MS 39110 then until 10:00 AM local time, Thursday, January 21, 2016 at the Denson Robinson Public Services Complex at 1239 Highway 51, Madison, MS 39110. Bids will be opened at the Denson Robinson Public Services Complex. Any bid received after 10:00 AM will not be opened. The City of Madison reserves the right to reject any or all bids.

A non-mandatory pre-bid meeting will be held at 10:00 a.m. on Thursday, January 7, 2016 at the Denson Robinson Public Services Complex at 1239 Highway 51, Madison, MS 39110.

The project generally consists of the construction of three baseball/softball fields with lighting, one concession/restroom building, one restroom building, improvements to the parking area, drainage, hardscape, and landscaping.

The plans and specifications for the project are on file for public inspection in the offices of the City of Madison Public Works Department, 1239 Highway 51 North, Madison, Mississippi 39110 and the offices of Neel-Schaffer, Inc., 1230 Hwy 51, Madison, Mississippi, 39110, phone (601-898-8118). One copy of the plans and specifications may be procured from Neel-Schaffer, Inc. upon payment of \$325.00, none of which is refundable. The cost of the contract documents includes standard shipping and handling via U.S. Mail.

The Owner hereby notifies all Bidders that it will affirmatively insure that disadvantaged and woman-owned business enterprises will be afforded the full opportunity to submit bids in response to this invitation. When considering the award of any contract resulting from this invitation, the Owner will not discriminate against any bidder on the grounds of race, gender, or national origin.

8(a) BUSINESS OPPORTUNITY WORKSHOP

Did you know that the Federal Government is THE world's largest buyer of goods and services spending billions of dollars every year? If you're interested in learning about programs that could be the key to success for your small business selling to the Federal Government, then you must attend this

workshop! Attendees will learn:

- Access to capital and credit
- Free business counseling and training
- Federal and non-Federal procurement opportunities

We invite you to participate

Speaker: Caroline F. Bell/ Jason Rawls
Mississippi Department of Transportation
"Contract Opportunities with the Mississippi Department of Transportation"

1:00 p.m., Wednesday, January 13, 2016
SBA 10th Floor Conference Room, (Regions Bank Plaza)
210 East Capitol Street, Jackson, MS 39201
