

G&S Home Shelter Services, LLC

Quitman Fitzgerald, Jr. is the owner and operator of G&S Home Shelter Services, located in Natchez, Mississippi. The firm offers hauling services throughout the state to private, commercial, and governmental clients. In addition, G&S Home Shelter Services is certified with the Mississippi Development Authority (MDA) and is a certified Service-Disabled Veteran Owned Small Business (SDVOSB). Fitzgerald has an amazing management team that includes Chakatria Fitzgerald (office manager) and Ivan Turner Jr. (lead truck driver).

Fitzgerald dedicated 40 years of his life to the Army Reserve and retired in 2017. Afterward, he established G&S Home Shelter Services. Fitzgerald's vision for his firm focuses on legacy and making a positive impact within the veteran community. "I want portions of my revenue to go towards building a transitional living center for senior citizens disabled veterans," explained Fitzgerald.

Fitzgerald has over 35 years of experience in commercial driving and in 12 of those years, he was a heavy equipment instructor/commercial driver instructor. With his extensive background, he has been provided the opportunity to work with a variety of commercial entities hauling trailers, sporting goods, and other items. In reference to future hauling projects, the firm anticipates partnering with Eagle Logistics Oil Industry.

As a small business owner, Fitzgerald strives to give back to others. "Making money isn't my sole purpose. Volunteering is important to me. We have delivered emergency relief items for American Red Cross, Cajun Navy, and several police departments," said Fitzgerald. Christmas is around the corner and he and his team have committed to providing gifts to 70 children in need.

Fitzgerald leaves a word of advice to fellow DBEs and businesses alike. He said that it's vital to find a mentor who is behind the scenes and knows what it takes to be an impactful and successful entrepreneur.

For all your hauling needs contact Quitman Fitzgerald at 601-807-2144 or send correspondence to gabandshiloh@gmail.com.

A MISSISSIPPI SUCCESS STORY

Townes Construction Company, Inc.

Established in 1979, Townes Construction Company, Inc. is located in Grenada, Mississippi, and is owned and operated by Armstead Townes III. The firm offers services such as grading, landscaping, highway drainage, irrigation Systems, hauling, dirt, sand, gravel, limestone asphalt, manufactured concrete, and infrared asphalt. Townes Construction has been in business for almost 40 years. Townes's management team includes Estella Townes (Office Mgr.), Jimmy Townes (Plant Mgr.), and Jeffery Townes (Field Mgr.).

Townes was introduced to the construction industry at an early age. His father, Armstead Townes Jr. drove trucks which inspired him to start his own business. "After working in a factory for a few months, I knew that was not the work for me. I remember discussing my idea of starting a business with my father and he was in full support and gave me great advice. I started with one dump truck and grew from there," explained Townes.

Townes Construction is not only a Mississippi DBE; he is also certified in Tennessee and has completed projects with prime contractors such as Lehman-Roberts, APAC-Mississippi, Malouf Construction, B&M Paving, and JJ Ferguson. Currently, the firm is providing curb, gutter, and storm drainage services for the Town of Carrollton, the Town of Coffeeville, and the City of Grenada. One of Townes Construction's largest projects entailed an erosion control job in Leflore County for over one million dollars.

Townes attributes his success to providing quality service on time and taking advantage of business resources. "I value the services provided by the DBE Supportive Services Team. Each month they distribute project information that has helped me stay abreast of job opportunities," said Townes.

Owning a small business can be trying at times but with perseverance, it can also be rewarding. Townes provided key factors that have helped him grow and sustain a successful business. He said that having your finances in order is vital as well as research projects to ensure that you are well-positioned to take advantage of such opportunities.

For all of your construction needs contact Armstead Townes at 662-226-4816 or send correspondence to estellatownes@bellsouth.net.

OSHA Safety Tip of the Month!

Chain Saw Safety

Operating a chain saw can be hazardous. Potential injuries can be minimized by using proper personal protective equipment and safe operating procedures. Below are outlined tips to help you stay safe while using a chainsaw.

Chain Saw Safety

- Clear away dirt, debris, small tree limbs and rocks from the saw's chain path. Look for nails, spikes or other metal in the tree before cutting.
- Shut off the saw or engage its chain brake when carrying the saw on rough or uneven terrain.
- Keep your hands on the saw's handles, and maintain balance while operating the saw.
- Proper personal protective equipment must be worn when operating the saw, which includes hand, foot, leg, eye, face, hearing and head protection.
- Do not wear loose-fitting clothing.
- Be careful that the trunk or tree limbs will not bind against the saw.
- Watch for branches under tension; they may spring out when cut.
- Gasoline-powered chain saws must be equipped with a protective device that minimizes chain saw kickback.
- Be cautious of saw kickback. To avoid kickback, do not saw with the tip. Keep tip guard in place.

HIGHLIGHTED PROJECTS FOR THE MONTH OF DECEMBER 2021

West Concourse Roof Replacement Project

- Bid Date:** December 23, 2021
- Bid Time:** 4:00:PM
- Project:** Jackson, MS
- Bids To:** Bids shall be accepted by email, mail, or hand delivery as follows: Email: bids@jmaa.com By mail or hand delivery: JMAAs administrative office, Suite 300 Main Terminal Building Jackson-Medgar Wiley Evers International Airport 100 International Drive, Jackson, Mississippi 39208
- Architect:** Greg Durrell, Architect, Durrell Design Group, PLLC Clinton, MS (601) 708-4788 (601) 488-4717

Scope of Work:

Renovation of a transportation facility in Jackson, Mississippi. The Jackson Municipal Airport Authority (JMAA) is seeking electronic bids for construction and related services in connection with the West Concourse Roof Replacement Project at the Jackson-Medgar Wiley Evers International Airport (the Work). Questions and communications regarding the bidding procedure and schedule on this project should be directed to: Marvin Buckhalter, Director of Procurement, mbuckhalter@jmaa.com, and 601-664-3516. The following identification information must be provided with the submission: (i) bidder's company name; (ii) Mississippi Certificate of Responsibility Number; and (iii) the wording: West Concourse Roof Replacement Project at Jackson-Medgar Wiley Evers International Airport, Project No.002-20B." If the submission is submitted via email, then the identification information must be provided in the email subject line. If the submission is submitted by hand delivery or mail, then the identification information must be marked on the outside or exterior of the bid envelope or container. JMAA will not consider any submissions, including bid proposals, amendments to bids, or requests for withdrawal of bids received, after the Bid Deadline for any reason whatsoever. JMAA will award the Work to the lowest and best bid as determined by JMAA in accordance with the criteria set forth in the Information for Bidders. Plans and specifications related to the Work are considered part of the Agreement. Any Addenda issued clarifying and/or changing plans and specifications; clarifying and/or changing instructions in the Instruction to Bidders; and/or answering questions in relation to the Instructions to Bidders shall become part of the Information for Bidders. The website will be updated periodically with addenda, reports and other information relevant to submitting a Bid for the Work. JMAA has established a Disadvantage Business Enterprises participation goal of 12.60% for the Work solicited by this RFB.
